有态度 · 有温度

Imagination is boundless, love art and life, pursue design and quality, and interpret the unique aesthetics of precision with cutting-edge and unique aesthetic perception. It is the encounter of curves and straight lines, and it is the exploration and creativity of the shower room.

The image shows a modern, minimalist building facade with a large, white, three-dimensional 'KENDO' logo mounted on a light-colored wall. The building has a dark, overhanging roofline. Below the logo, there are large glass windows reflecting the sky, with warm interior lighting visible through them. The sky is a clear, pale blue.

Zhongshan Precision Sanitary Ware Co., Ltd. is located in Zhongshan City, Guangdong Province, China's shower room production base. Founded in 2012, it covers an area of 28000 square meters, has nearly 200 employees, and its core team has 20 years of industry experience. It is a professional shower room manufacturer integrating product research and development, production, sales and service.

Since its establishment, the company has won more than 20 patents for shower room products such as utility model, appearance and invention. It also obtained honorary certificates such as "best-selling brands, consumer satisfied products, ISO9001 quality management system certification, popular household brands widely loved by netizens, and member units of the Residential Decoration and Parts Industry Branch of China Building Decoration Association". The products have passed the EU CE, Australia SAA and other export safety certification.

Innovation is the soul of an enterprise. The company regards technological innovation as one of the core competitiveness of its products. It has established a technology research and development center, built a stable, professional and high-quality research and development team, and has advanced research and development equipment and professional testing laboratories in the industry. At the same time, the company has carried out extensive cooperation with well-known product design companies at home and abroad to achieve innovative breakthroughs in many areas such as product appearance and structure. At present, the company has developed more than 70 series of thousands of non-standard customized products, and has obtained multiple patents such as automatic homing system, applying precision design aesthetics to each shower room product.

Precision company strictly requires every link with "high starting point, high quality and high standard". At present, the company has a large modern intelligent production plant and successfully introduced ERP system, OA system and other management software to optimize the whole process of production, realize the leap to the modern intelligent enterprise management mode, further improve the company's management ability, improve the production management energy efficiency, and design the annual output of more than 600000 shower rooms.

While providing customers with high-quality products, precision bathroom insists on providing customers with high standards of service. At present, more than 300 sales and service outlets in more than 150 cities in China have established perfect service processes and strict monitoring mechanisms to provide consumers with quality services. From pre-sale scheme design and product selection, to mid sale size measurement, goods tracking, to careful installation, maintenance and repair after sale, the service commitment of "worry free and 100 satisfied" has been truly realized, It has been well received by the industry and consumers. In the future, precision bathroom will be committed to providing customers with high-end shower space solutions to realize the beautiful vision of starting from precision and opening a delicate life.

中山精度卫浴有限公司位于中国淋浴房生产基地广东省中山市，成立于2012年占地面积达28000平方米，员工近200人，核心团队拥有20年行业经验，是集产品研发、生产、销售、服务于一体的专业淋浴房制造企业。

公司成立至今，已荣获实用新型、外观、发明等20多项淋浴房产品专利。还获得“畅销品牌、消费者满意产品、ISO9001质量管理体系认证、广受网友喜爱人气家居品牌、中国建筑装饰协会住宅装饰装修和部品产业分会会员单位等荣誉证书”。产品通过欧盟CE、澳洲SAA等出口安全认证。

创新是企业的灵魂，公司把技术创新作为产品的核心竞争力之一，并成立了技术研发中心，打造了一支稳定、专业的高素质研发团队，拥有行业内先进的研发设备及专业检测实验室。同时，公司与国内外知名产品设计公司展开广泛合作，在产品外观、结构等多个领域实现创新突破，目前已研发了70多个系列上千款非标定制产品，并取得自动归位系统等多项专利，将精度设计美学应用到每一款淋浴房产品。

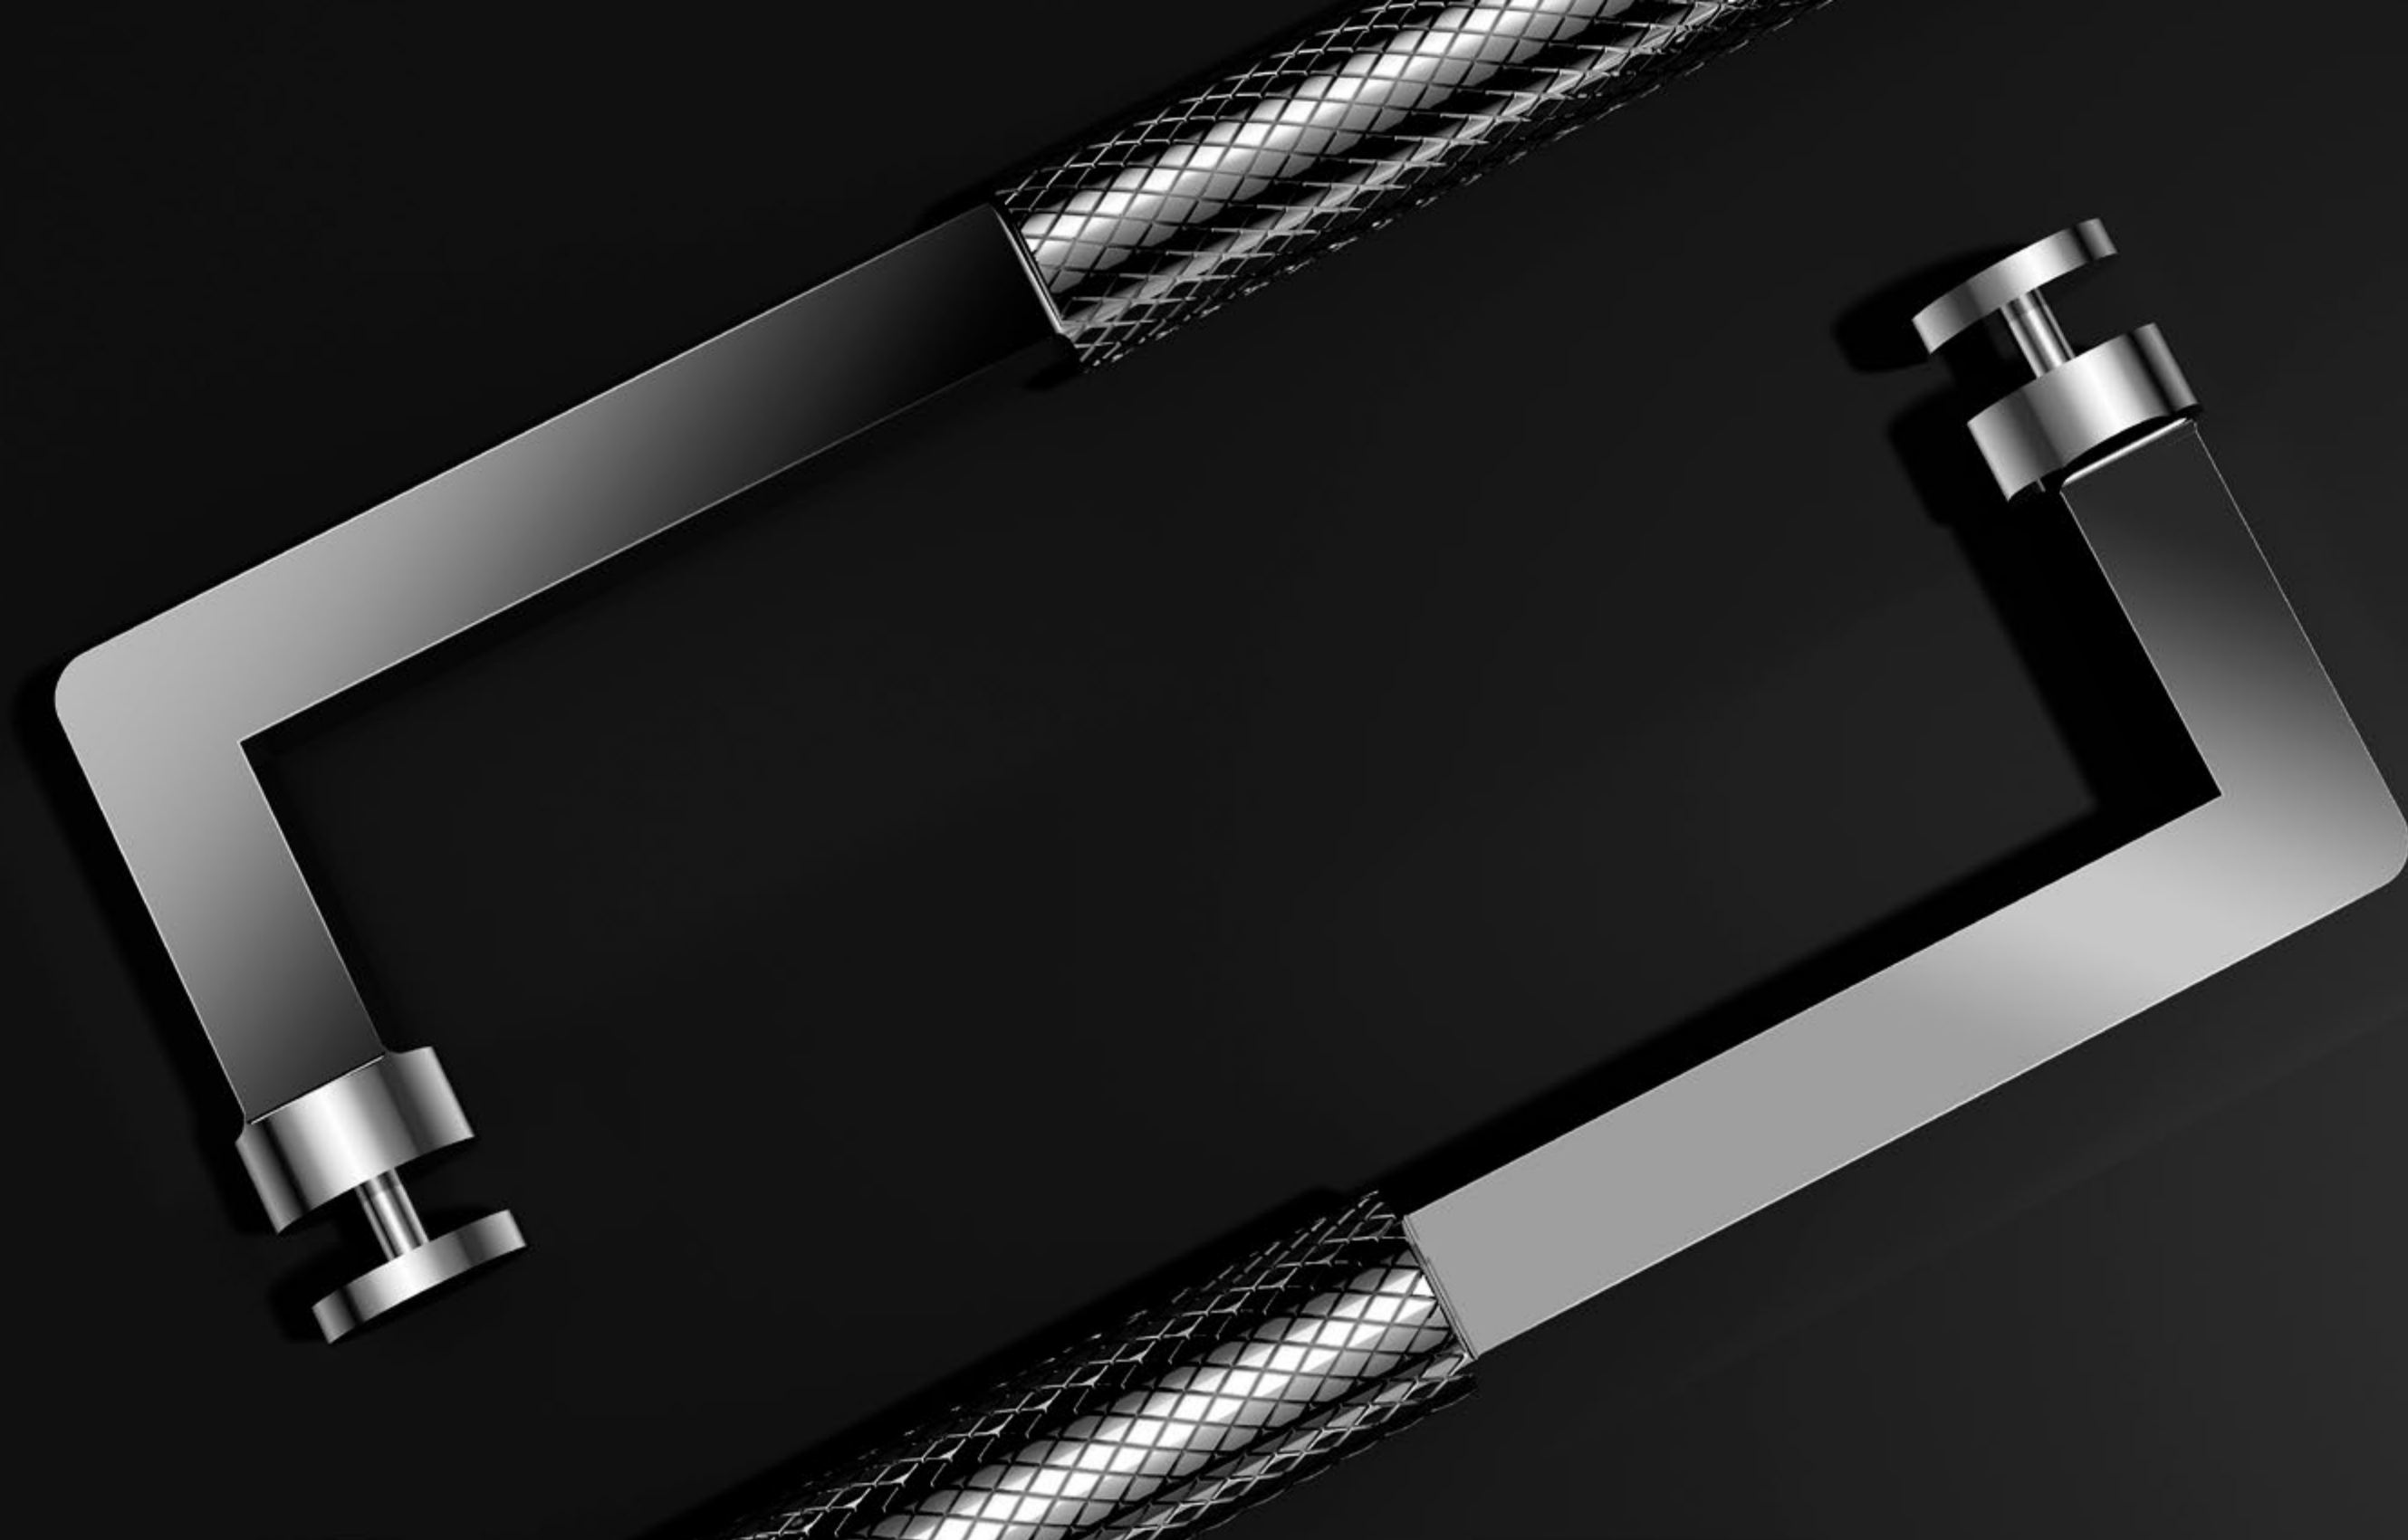

精度公司以“高起点、高品质、高标准”来严格要求每一个环节，目前公司拥有大型现代化智能生产厂房并成功引进了ERP系统、OA系统等管理软件，对生产流程全程优化，实现了向现代智能企业管理模式的跨越，进一步提升了公司管理能力，提高了生产管理能效，设计年产量可达60余万套淋浴房。

制造高品质淋浴房，是精度孜孜追求的目标，为此，在材料选择上精度一直坚持行业标准选材原则，采用制镜级完全钢化玻璃、高纯度原生铝合金、304#不锈钢等优质原材料，为产品品质提供了有力保障。为进一步保证产品品质的优越性精度卫浴投入巨资打造了标准的品质控制中心，拥有盐雾测试机、滑轮测试机玻璃检测设备、胶条检测设备等专业仪器，并严格用国内标准作为检测依据保证了产品在抗冲击、抗老化、使用寿命、美观度等多项指标上达到行业较高水平。

在为客户提供高品质产品的同时，精度卫浴坚持为客户提供高标准的服务。

目前，精度淋浴房已经在中国150多个城市拥有300多家销售服务网点建立了完善的服务流程及严格的监察机制，为消费者提供优质服务，从售前方案设计产品选择，到售中尺寸测量、货物跟踪到售后精心安装、保养维修，真正实现“全程无忧，满意一百”的服务承诺，得到业界及广大消费者的一致好评。
